*(\* Today's report also includes Covid-19 patients confirmed by private laboratories)*

708 patients have been hospitalized today across the state. Out of 14503 laboratory samples, 13717 were negative and 635 have been tested positive for coronavirus until today. 52 patients have been discharged till date after full recovery. 42,713 people are in home quarantine and 2913 people are in institutional quarantine.

A thorough search of citizens who had attended the religious gathering at Banglewali Masjid, Nizamuddin in early March is underway at the level of all districts and municipal corporations. Until now, out of the available list of 1225 people, 1033 have been contacted and 738 out of them have been put in isolation wards. 7 people out

of these have been found positive until now in the state. 2 each from these are from Pune, Pimpri-Chinchwad and Ahmednagar and one is from Hingoli.

As per the guidance from Government of India, cluster containment action plan is being implemented in places where clusters of patients have been found in the state. 523 teams are working in the Mumbai Municipal Corporation area and 423 teams in Pune Municipal Corporation area. 210 teams are doing house-to-house surveillance in the Nagpur corporation area and 196 teams have been deployed in Navi Mumbai area. There are 2849 teams working across the state and surveillance of over 10 lakh population has been done.

As a preventive measure and control preparedness of Novel Coronavirus disease (COVID-19), isolation wards have been created in all District Hospitals and Government Medical Colleges in the state. Accordingly, a notification regarding Covid-19 treatment has been issued recently for 30 hospitals in the state.

The state, with the help of Maharashtra State Innovation Society has made a Covid-19 self-assessment app. This app will help people to understand symptoms and other information using which, guidance about when and where to get Covid-18 test done, where can the medical facilities be accessed etc. can be obtained. People have welcomed the app available on <http://covid-19.maharashtra.gov.in>.
