

## **Appeal for home quarantine to all who have returned from abroad**

Since both the COVID19 positive cases in West Bengal had got infected abroad and carried the viral infection into Kolkata, the Health and Family Welfare Department, Govt of West Bengal appeals to all persons who have returned from abroad in the recent past, esp from UK, USA, Europe and the Gulf countries to necessarily confine themselves in home quarantine for a period of 14 days. Social distancing measures are a must for the containment of COVID19.
